    - Scratches and Consoles

**Code Editor (Right):**

The code editor shows the contents of the file `character_relationship_scenes.json`, which is a `.gitignore` file. The file lists various files and folders to be ignored:

```
30
31 # PyInstaller
32 # Usually these files are written by a python script from a template
33 # before PyInstaller builds the exe, so as to inject date/other infos into it
34 *.manifest
35 *.spec
36
37 # Installer logs
38 pip-log.txt
39 pip-delete-this-directory.txt
40
41 # Unit test / coverage reports
42 htmlcov/
43 .tox/
44 .nox/
45 .coverage
46 .coverage.*
47 .cache
48 nosetests.xml
49 coverage.xml
50 *.cover
51 *.py,cover
52 .hypothesis/
53 .pytest_cache/
54 cover/
55
```

```
Terminal  Local x  Local (2) x + -
